Filed: April 13, 2004

For: METHOD AND APPARATUS FOR
TESTING DRIVER CIRCUITS OF
AMOLED

Art Unit: 2829

Examiner: VELEZ, Roberto

DECLARATION UNDER 37 CFR §132

Sir:

I, An Shih, one of the inventors in the above-identified application, declare as follows:

1. I am a named inventor in U.S. Application No. 10/822,750 ("the '750 application").
2. I understand that in an Office Action mailed November 17, 2005 in the '750 application, claim 6 of the '750 application was rejected under 35 U.S.C. §102(c) as being anticipated by U.S. Patent Application Publication US 2004/0189559 A1 to An Shih ("Shih '559").
3. I am the same An Shih as the named inventor in Shih '559.
4. Shih '559 names only one inventor, myself, An Shih.
5. While the '750 application names several inventors, I alone, am the inventor of the subject matter recited in claim 6 of the '750 application.

6. As such, the applied Shih '559 reference, with respect to claim 6, is not a published application "by another" in accordance with 35 U.S.C. §102(c).

7. I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

2006.2.6
